

Grand Rapids Art Museum (GRAM) collects and stores donor information, including name, address, and donation information. On rare occasions, GRAM may share donor list for one-time only use with other local cultural organizations, or when GRAM collaborates with another organization. Only mailing information is shared. We will not send you mailings on behalf of other organizations. GRAM also provides contact information to restricted staff, trustees, volunteers, and paid consultants on a confidential basis for approved, specific usage.

To opt-out of shared list participation or to update personal information, please contact the Advancement Office at [donate@artmuseumgr.org](mailto:donate@artmuseumgr.org), or 616.831.2908.
